

UNIVERSITY OF NOTRE DAME

FINANCE DIVISION

STRATEGIC PLAN
2018 - 2022

MISSION

Collaborate with the Academy, student life, and administrative units to steward financial resources and provide comprehensive financial services to enable the University to achieve its mission.

VISION

Serve as best-in-class partner that provides impactful, innovative and forward-thinking financial solutions to inform strategic decisions and empower Notre Dame to be a force for good in the world.

GOAL 1: STEWARDSHIP

Nurture a culture of effective stewardship across the University by providing financial strategies, analytics, compliance, and information to support decision-making.

GOAL 2: PEOPLE

Invest in the Finance team through professional development, recruitment, and strong peer networks to better serve the University in an ever-changing financial environment.

GOAL 3: COLLABORATION

Strengthen trust and deepen collaboration with University partners to aid them in achieving their priorities.

GOAL 4: EFFICIENCY

Assess, optimize, and implement the financial, informational, and operational resources within the Finance Division in a manner that most efficiently and effectively supports the complexity and growth of the University.
